

# Annual Report

An annual report is a document that shows what was done (success) during the last year and what lies ahead. It will be submitted to BPW international board.

This is a proposal template for an annual report. All chapters – except for the general information – below are a suggestion: if a title makes sense to you, use it otherwise delete it. If you need other chapters, please add them.

Use text, pictures, graphs as it best suits you (pictures, graphs often explain more than words).

## General Information

**Project Name:** Make BPW Visible at UN Level.....  
**Project Leader(s):** Marilyn Forsythe.....  
**BPW Project Member(s):** .....  
**Reported Period:** 01/07/2017 to 31/03/2018

## Short Overview

The goals of the Project to encourage all our BPW Federations to join UN Global Compact as a non-profit organisation

## Results

It was decided with the assistance of the Asia Pacific Regional Coordinator (Susan Jones) to send the information packages to every Federation in Asia Pacific. There was four existing Federations already had being accepted by the UN. BPW Australia, BPW New Zealand and BPW Korea.

Up to the 31<sup>st</sup> March I have not received an information requests from the Asia Pacific Federations.

## Goals for next period

What are your plans for the next period? And how do you plan to do this?

The BPW Asia Pacific Conference will held in Bangkok 30 October to 1 November and I wish to attend on the basis that I could have a short speaking time to speak to the delegates about the Project. I feel that a face to face discussion with the Federation delegates would produce a positive outcome. I have contacted Nok but with no guarantee that I would be given speaking time. But I will keep trying!!!!

My trip to Bangkok would be at my personal expense and in order to get value from the expense and not just a greeting with old friends
