Club & Federation Projects

Why Register your projects?

Registering your Club or Federation Projects means

- showing the performances of the organization
- enabling synergies and cooperation
- providing the essentials for sponsors
- surpassing the female behaviour of ignoring one's own performances

Guidelines

- Projects can be registered at any time and there is no limit to the number of projects
- The request to delete or to adapt a project can be forwarded at any time
- Register all projects of a Federation or Club independent of the number of members working on it. Even a project done by a single person may be registered.

How to register your projects?

How to register a Club & Federation Project

Watch this video for information on how to register a Club & Federation Project. For fullscreen click YouTube.
