Rett syndrome Ukraine is a non-profit organization, working through Ukraine. It is a community of families, friends, doctors, teachers, volunteers of people diagnosed with Rett syndrome. Our mission to provide an opportunity for people with disabilities to live their life fully, regardless of which body their soul has chosen.

We strive to provide the most up-to-date information on research in the field of treatment, rehabilitation, training and communication. We consult and train specialists. We offer psychological help. We support families in advocating for the rights of people with disabilities. We raise public awareness about the lives of people with Rett syndrome and other multiple developmental disorders.

So far we can't cure Rett syndrome, but we can improve the quality of life of people with it.

Association Rett syndrome – Ukraine is managed by an Executive Board of 5 members, all parents of people with rett syndrome. Today our community combine 100 rett families in Ukraine. Association is a member of European organization "Rett syndrome Europe"

Currently, in the conditions of the war, we had to change the focus of our activities and now we direct all our founds for saving and support lives of our families who still stay in Ukraine. They are needed in humanitarian aid: evacuation, food, housing, health, sanitation and hygiene, medicines and special equipments for disabled children.

We are ready to provide report how we used donations that we received (incl financial report). Also we can place information about donors and donations and its using through our website rettkids.com

We will be grateful for any help. Financial donations could be transferred to the bank account of our association:
