Project Leader: Patrizia Negro, Bpw Italy

Collaborations: Association Ganesha Nepal (GAN)

BPW Topic 1, 6; SDG 3, 6, 10,17

2. Description

This project aims to share experiences as Volunteers in the Health Care Center "Mara Mosca", in the rural area of the Saptari District, south-est Nepal.

3. Goals

- Promote and improve good practice towards the rural population of the District, on sanitary and medical level, by using the Health Care Center " Mara Mosca";
- Promote and improve campain for young women and children:
 - personal hygiene tips and water closed;
 - gynecological visit;
 - pediatrics and general medicine visit;
 - ophthalmologist visit;
 - nutrition programs;
 - a regular presence of a doctor in the surgery (weekly/monthly), in collaboration with sisters of BPW Nepal;
 - training courses for nurces to serve in the surgery.

4. Target Group

The main targets are BPW members, all over the world: Doctors, Nurses, Pharmacists, professionals with sanitary/medical skins;

Laic Volunteers that wish to experience the Health Care Center "Mara Mosca".
BPW friends.

5. Collaborations/ Partners/ Communication

The Health Care Center "Mara Mosca" is managed by the Association Ganesha Nepal (GAN).

Local travel agencies will be used for the logistic. Priority over BPW Nepal sisters that manage a travel agency.

Communications will be done by using BPW platforms, networking with BPW Federations, Clubs, Tasks Forces, etc, in the 5 Regional Areas of IBPW. Facebook. Flyers, etc.
